TUITION PAYMENT:

Tuition for the year is due by August 1st (or upon start date for students joining during the school year) unless you choose the payment plan we offer.

This year LAPS is again contracting with FACTS tuition service, to whom you will be making your payments. Please fill out the enclosed enrollment form completely, and return it with the registration fees to the address above. There is a **\$38.00** annual fee (per family) for this service.

FIELD TRIP FEES:

There is a single charge for the school year's scheduled field trips. Field trips are considered part of the curriculum and students are expected to attend. (HOMESCHOOL ONLY students may elect not to participate.)

WITHDRAWAL:

TUITION RATES ARE BASED ON THE COMPLETE ACADEMIC YEAR. If it becomes necessary for a student to withdraw from class before the end of the year, a written withdrawal request must be presented to, and (as regards refund) approved by, the LAPS office. If the withdrawal is approved by LAPS for refund, tuition rates will be prorated to the number of weeks the student was enrolled and a **withdrawal fee of \$125.00** will be assessed before any remaining tuition paid is refunded.

CHANGE OF STATUS:

A charge of \$50.00 will be assessed each time there is a change of status in the student's tuition plan or a change in their assigned curriculum for the year. Requests for changes must be made in writing to the LAPS office and are subject to approval by LAPS.

RUNNING START:

Running Start students who have been with LAPS the previous year may work out special arrangements with the office manager for partial payments. Please call the office for information.

FEES FOR PICKING STUDENTS UP LATE:

Life Academy of Puget Sound requests that parents pick their students up from school on time. If there is a problem, please make arrangements with your student. Parents whose student is not picked up on time will receive a verbal warning, and a warning letter will be mailed. Repetitive problems will be addressed with a charge of \$1.00 for each minute exceeding 15 minutes after your student's scheduled dismissal time. This is for the safety of your students.

REPLACEMENT OR ADDITIONAL ACE PACEs, AOP LIFEPACs, or SOS UNITS:

Any ACE PACE, or AOP LIFEPAC, or SOS Unit that needs to be replaced (student loses the item, retakes the unit, etc.) or any additional items beyond those provided as part of the standard annual curriculum will be subject to a charge equal to \$72.00 per credit (i.e. 12 PACEs=1 credit so \$6.00 per PACE booklet; 10 Lifepac/SOS units=1 credit so \$7.20 per Lifepac booklet/SOS unit...)

DUE DATES ON FEES:

All fees are payable when billed, or as arranged in advance. Amounts due not paid by 5 business days after their billed date, or on the date arranged in advance, are subject to a late fee of 4% of that amount each payable cycle (i.e. monthly).

NSF CHECKS

There will be a \$30.00 charge on all NSF checks and after two such items, cash or certified check will be required for payment.
