Dear Parent,

Due to recent events in our country and past natural occurrences, we are reminded of the importance of being prepared. With no intent to alarm you or your children, we are asking your assistance in preparing an earthquake kit for your child. Please have your student bring this list of items to school in a zip-loc bag with their name on it. Thank you.

INDIVIDUAL STUDENT EARTHQUAKE KIT

- Flashlight with batteries
- 13 ounces of juice (in mini-cans or small boxes)
- Small can (7 ¼ ounces) of soup
- Small can (8 ounces) of beans for protein
- Small fruit cup of choice
- Small container (5 ounces) of pudding
- One granola type bar
- One candy bar
- Three plastic spoons
- One space blanket
- (if age appropriate) Family picture and note assuring child that everything will be okay and the family will be reunited as soon as possible.
- One bottle of drinking water
- One whistle
- Handi-wipes (or wet-wipes) in separate packages

These items should be placed into a gallon size zip-loc bag for ease of storage.
